

Team Name: sdmay24-06

Team Members: Carson Tow, Andy Nguyen, Aaron Gienger, Ben Dubin, Blake Carlson

Report Period: Sept 11-Sept 24

Summary of Progress in this Period

During this period, we have started meeting with the other groups involved in our projects and started figuring out the scope of our project. We have continued the filling in of our project design document. During this period, we solidified our communication and meeting times.

Pending Issues

- Refining scope for vehicles and track with another group
 - Making a rough timeline for our project
 - Solidifying plan for parts/build type for vehicle
-

Plans for Upcoming Reporting Period

- Meet with other groups to discuss the specifications for the project
 - Continue with the Project Design Document
 - Continue updating website
 - Start looking into possible avenues for hardware for vehicle
-
