

Team Name: sdmay24-06

Team Members: Carson Tow, Andy Nguyen, Aaron Gienger, Ben Dubin, Blake Carlson

Report Period: Sept 25-Oct 8

Summary of Progress in this Period

During this period, our team began to create a parts list. This process included searching for different options for parts for the design (including onboard computer, sensors, and RC base). We also updated our website and fixed some issues with the formatting. We also continued to refine the scope along with the other teams.

Pending Issues

- We still need specific choices for the parts list.
 - Our website could look better.
 - We need to work on getting full designs. (or at least design 0)
-

Plans for Upcoming Reporting Period

- Agreeing upon aspects of the design that should be unified.
 - Finding specific choices for the parts list
 - Updating photos and bios for the website
-
